Three Kings Festival Coming to Trinity!

On Sunday, January 7th, at our 9:30 AM worship we will be celebrating the *Festival of the Three Kings*. January 6th, Epiphany, is when the celebration is traditionally held. It is a festival that predates Christmas and now is often referred to as "Little/Second Christmas" across the western church. The festival commemorates the journey of the wisemen/magi to Bethlehem where they honor Jesus with gifts of gold, frankincense and myrrh.

The *Festival of the Three Kings* is celebrated primarily in Spain, Latin America, Mexico and the Caribbean. Other countries celebrate it as well including the United States, especially where the Latin culture has a strong influence.

We are celebrating the festival this year and next because leap year will cause us to miss celebrating Epiphany for several years into the future.

Our celebration will have a Puerto Rican touch to it and will be followed by a pot-luck type luncheon featuring Puerto Rican dishes. Recipes are available at the church. If you would like to make a dish to share, contact the church office, 484-529-7801 or office@trinitykutztown.com and a recipe will be provided. Recipes also are available on the table at the rear of the sanctuary in a green folder. **Finally, to more fully prepare for the celebration we have planned a festival workshop on Saturday, January 6th from 10 AM to 12 noon. Come and help us prepare for the festivities of the following day!**

It would be helpful to let us know of your intention to attend the luncheon by contacting the church office or using the sign-up sheet on the office door when you are at the church. We are looking forward to continuing our joyous celebration of God's incarnation as we celebrate the *Festival of the Three Kings* on January 7th!

Christian Education...

Adult Sunday School

The Adult Sunday School Class welcomes you to join us in enjoying "Faith That Glorifies God," a series of readings that invites us to explore the gift that each of us can be for the world. But what does it mean to live a life of faith that glorifies God? We find an answer in the Book of John where Jesus glorifies God by revealing God's love to the world. But he prays in his disciples' presence that they have also glorified God. We imperfect people can glorify God! Each reading in this series presents an inspiring story of faith that glorifies God. We will follow Rev. Rachael Powell, an ELCA pastor and author of *God's People Made New: How Exploring the Bible Together Launched a Church's Spirit-Filled Future*. Rev. Powell will help us embrace our call to reveal God's love. Please join us Sundays at 8:00 am in the Parlor for discussion, coffee and fellowship.

2023 Annual Team/Committee and Staff Reports are Due...

Yes, it's that time again! Team/Committee chairpersons and staff with program responsibilities are asked to prepare and submit to Diane, our Administrative Assistant, a written report regarding the ministries undertaken during 2023. **Please submit your report before January 31st, so that it can be included in the annual report booklet for 2023 ahead of the Phase II meeting which will be held in February.**

Capital Campaign Update...

As of January 1st, we have entered the 3rd and final year of the ***Starting a New Chapter*** capital campaign. We are 2/3 of the way through our campaign. We have accomplished the goal of paying for the new Allen Organ. That occurred in the spring of 2023. Since then we have been putting aside the money that you continue to give to the campaign to prepare for the next phase, which is to make a significant portion of our building handicap accessible.

Your support of ***Starting a New Chapter*** has made all of this possible and your continued support will ensure that Trinity reaches the goal of becoming more accessible for those who have mobility issues.

Thank you for what you have already contributed and thank you for what you will yet give to make a more welcoming facility for all of God's children!

Christmas Shoppe...

Thank you to everyone who donated and helped with the Christmas Shoppe in 2023! The Shoppe raised \$475 for the Helping Hands Fund. Even though we have just finished the holiday season, we wanted to share that the Christmas Shoppe will continue next year under Louise DeVall's competent leadership, and Louise invites people to think about donating new items appropriate for Christmas gifts at any time during the year. Gifts can be dropped off during the week during office hours, Tuesday through Friday 8 a.m. to 2 p.m. For any questions or to arrange another drop-off time, please contact Darlene Dietrich at 610-683-7975 or Louise at 484-663-0853.

Assisting Ministers and Lay Readers...

There is a new sign-up sheet for Assisting Ministers and Lay Readers for 2024 and a lot of open Sundays. Please feel free to sign up for any open dates at the link below or call the church office:

Online Giving Provider to Change...

After careful consideration, the Congregation Council approved the recommendation of the Finance Team to change Trinity's online giving provider. Starting in January Vanco will be phased out and EFT Corporation will become the provider of Trinity's online giving services. Information will be going out to current online givers regarding this change along with instructions on how to accomplish the transfer of your online giving to EFT.

If you encounter any issues or have any questions regarding the transfer of your online giving to Trinity please contact Lisa Finke, bookkeeper, at lmfinke@msn.com or Diane Spohn, administrative assistant, at office@trinitykutztown.com. They will work with you to make this transition as easy and smooth as possible.

This change will save Trinity money while providing a broader range of electronic services such as the use of credit/debit cards and Text2Give options. Also, the finance team believes that this move will position Trinity for the future regarding the increased use of electronic giving in support of the congregation's mission.

Winter Weather & Meetings/Worship at Trinity...

The calendar and recent temperatures are beginning to remind us that winter weather may not be far behind. It is highly unlikely that Trinity will ever need to cancel meetings or worship due to the technology at our disposal. If the need should arise to cancel in-person meetings or worship due to the condition of the roads, etc. it is our intent to announce the cancellation on

- Channel 69 news & WFMZ website
- Email blast and All-Call
- Calling Trinity's Office (610-683-3450) for messages regarding changes in schedule

That will be the signal for you to use the zoom log on that is sent out each week for worship or the one that is used for meetings or other activities.

Flower Sponsors...

A flower chart for 2024 is now posted on the bulletin board. For any information about sponsoring flowers or serving as the flower chairperson for a month, please call Darlene Dietrich at 610-683-7975 or the church office.

Consider a LEGACY or a SPECIAL GIFT to Trinity...

With rising interest rates and inflation, if you are 65 or older, now might be a good time to consider a charitable annuity. It can serve to produce current income for you, the creator, and upon your death a legacy gift to Trinity. In addition, when you create the annuity, it will serve to reduce your tax liability for that year. For more information you can talk to a financial planner, or you can contact the ELCA Foundation for assistance in this regard.

Another possible gifting opportunity with tax reduction implications is gifting a portion of your IRA. Gifts up to \$100,000 can be made from an IRA to a charitable entity such as Trinity. Again, you can talk to a financial planner or the folks at the ELCA Foundation to assist you in this matter.

From Lutheran World Relief...

Your compassion makes beauty out of ashes in Ukraine. Not long after schools reopened after COVID, war disrupted Ukrainian children's lives again. Some lost parents, others had to flee their homes, and nobody can tell them when – or if – life will go back to normal.

Congregations like yours are loving these children in many ways. First, you are providing safe refuge, basic supplies and nourishing meals at six sanatoriums. (In Ukraine, sanatoriums are like retreat centers that offer medical services. Today, many serve as shelters for the displaced.) To date, you have helped more than 10,000 people have at least one, if not many, safe nights of sleep.

But meeting physical needs is just the start. You're also fostering hope through counseling and psychological care. LWR's Tetyana Medvid, an expert in trauma and gender-based violence says, "These people have suffered ... Our task is to show them that life goes on."

Your compassion blesses children through art therapy sessions. By working with their hands, they can express their feelings and learn that they can create something beautiful, even when surrounded by war.

Keeping children's and families' spirits up is critical at this stage of the war, says the sanatorium's general manager Yuriy Mosienko Borovyk. "They need support most of all," he says. "Moral support to give them hope."

Worship in Collaboration with Oglala Sioux Nation

On November 12, 2023, St. Mark’s Evangelical Lutheran Church, Birdsboro, PA, held their annual Native American worship service in honor of November being Native American Heritage Month. I attended the worship service and wanted to share my experience with you.

St. Mark’s Lutheran Church has a partnership with the Oglala Sioux Nation of Native Americans in Pine Ridge Reservation, South Dakota, one of the poorest communities in the United States, and has been supporting them in many ways with their giving and their prayers.

In the worship service, the English translations used for the liturgy were:

Creator as the name used for God

Creator-Sets-Free as the name used for Jesus

The Chosen One as the name used for Christ

The Great Spirit as the name used for the Holy Spirit

The music for the worship service had a Native American vibe, words, and theme involving the sacredness of nature and life.

Copal incense from Central and Southwestern North America was used during the service as Native Americans used for sacred services.

Pr. Jim Farnsworth's message was dedicated to Native Americans and how the new immigrants treated them to America. He asked that we remember and honor those who have gone before us -- the original inhabitants of this land. He also asked that we have a right relationship with God and each other and that we have a responsibility to repair relations. We reconcile by learning the truth, loving each other, and breaking down barriers with others. He suggested that we learn the history of our area by looking through the eyes of our neighbors and that we are called to be good neighbors.
